

Hair Transplant – Neil’s Story

“The service was excellent and my wife and I are really pleased with the results!”

Neil Taylor, 45 from Hampshire

When I started noticing that I was losing my hair, it made me feel as if I was ageing before my time. I’ve always been pretty fit and looked after myself, so I was keen to put things right if I could.

I went to the Southampton Transform clinic and saw Dr. Liggins. Soon afterwards in December 2005, I booked myself in for the treatment and it was one of the best things I’ve ever done.

After the treatment, gradually my hair started to grow back thicker. I’m much more confident now – I look and feel my actual age.

My wife has had several treatments with Transform, including a nose job, a tummy tuck and having her eye bags removed.

If you’re worried about your hair loss, I would recommend paying Transform a visit. The service was excellent and my wife and I are really pleased with the results.
