

Facelift – Patricia’s Story

“I’m much more confident about the way I look and I like what I see in the mirror!”

Patricia Weatherall, 59 from Nottingham

I went to Transform for a facelift and to have my eye bags removed because I felt that my face didn’t reflect how I felt inside. I’m also in a long-term relationship with a younger man and I didn’t want people thinking I was his Mum.

Ever since having the two operations, I’m much more confident about the way I look and I like what I see in the mirror. I’m really pleased with Transform and the service they provided and I’m very grateful to Dr Khan my surgeon. I’ve since been back to Transform for a tummy tuck and regularly get mistaken for being 10-15 years younger than I actually am!
