

Tummy tuck – Tracey’s Story

“After my operation I went on holiday and wore my bikini with pride!”

Tracey Matthews, 46 from Scarborough

I had a C-section back in 2004, which left me with an uneven scar and a large fold of skin on the left side of my stomach. The scar and excess skin were visible through clothing and were making my life a misery.

I went to Transform in 2006 and booked myself in for a tummy tuck operation in July. My co-ordinator at Transform made everything go smoothly and Dr Clarke was very easy to talk to.

The results are great and the pictures really do speak for themselves. I’m much happier and more confident and my clothes fit much better. After my operation I went on holiday and wore my bikini with pride! I would definitely recommend Transform to anyone considering surgery.
